About The Abundance Blessing

The Abundance Blessing was an unusual energy for me to channel, I have in the past channelled empowerments and attunements, but this energy was gifted to me as a blessing. It is the first blessing that I have channelled and I found the energies to be very loving and supportive.

The Abundance Blessing comes from Source and brings with it the unlimited energies of abundance and prosperity. The Abundance Blessing helps to raise your vibration, to lift feelings and thoughts of lack or scarcity and replace them with an inner knowing that we are indeed blessed to live in an unlimited abundant Universe.

The loving energies of the blessing help to free you from negative thoughts that block the flow of abundance to you.

The Abundance Blessing feels like a boost of positive, abundant energy that enables you to truly feel and believe that you are abundant, that you are prosperous and that you can tap into unlimited abundance from Source Energy at any time you desire.

I wish you unlimited abundance and prosperity in your life,

Namaste,

Amanda

To Receive The Abundance Blessing

Make yourself comfortable and do any preparations that you would normally do for an attunement (if this is your first experience of distant energy work then please read the attunement process supplied with this manual that I have sent you for guidelines and ideas).

When you are ready, state your intention,

“I (state your name) am now ready to receive the Abundance Blessing sent to me via chi ball by Amanda Hadley of New Earth Energies (or your teacher's name).”

The blessing will begin and will take approx. 15-20minutes.

When you feel that the energies slow down and stop the attunement is complete and you can slowly open your eyes.

To Pass on the Abundance Blessing

This blessing can be passed on in person, distantly, or using the chi ball method.

Here is my suggested method to pass on the Abundance Blessing: Get comfortable and relax. You can burn incense, light candles, play music, meditate, whatever helps you to get into a state of peace and calm where the energies will flow freely and strongly. Protect and ground yourself.

Take three deep breaths and exhale slowly to release any stress or tensions of the day.

Connect with your higher self and any guides/ Angels that you feel comfortable with. Ask for their protection and assistance to help you send this blessing.

Connect with Source energy and ask that the purest energies of the Abundance Blessing flow to you.

Ask to connect with the higher self of the recipient.

When you feel ready, say,

“I ask that (name of person receiving the blessing and their location) receive the energies of The Abundance Blessing. I ask that the energies flow freely from Source through me and to (state name) blessing him/her with the energies of the abundant universe for his/hers greatest and highest good. I ask that this blessing be as strong and powerful as (state name) can accept and that he/she be blessed with unlimited abundance from Source. I ask that (state name) be blessed on (date and time).

And so it is. Thank you”

The energies will flow for a while, when you feel them slow and stop the blessing is complete.

If the blessing is sent by chi ball method, you will need to create the energy sphere, do this by creating energy between the palms of your hands, focus all your attention on the energy between your hands, move them closer together and out again—back and forth with your palms facing each other to build the energy, and use visualization to see the sphere or chi ball.

Then place the energies for the blessing inside the chi ball or energy sphere and say,

“I ask that (name of person receiving the blessing and their location) receive the energies of The Abundance Blessing. I ask that the energies of this blessing flow freely from Source through me and into this chi ball and that the energies be kept strong and true until (name of person) calls in this blessing. I ask that when (state name) calls in this chi ball that he/she is blessed with the energies of the abundant universe for his/hers greatest and highest good. I ask that this blessing be as strong and powerful as (state name) can accept and that he/she be blessed with unlimited abundance from Source.

And so it is. Thank you”

The energies will flow for a while, when you feel them slow and stop the attunement is complete.
